

# Practicing the Language of Faith

Directions: **Examine** the sentences in the *My Experience* column and **circle** those that apply to you. Feel free to add your own statements if ones supplied do not reflect your life at this time. **Draw a line** between each sentence you circled and a statement of faith in the *My Faith* column that sufficiently answers back to what you are feeling. Again, add your own statement(s) of faith if needed. **On each line** connecting line you drew between your experience and your faith, **write** the conjunctive adverb, NEVERTHELESS.
